Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This one-story three-bay square-plan brick and stuccoed house faces west onto Solomons Island Road. The house is sheltered by a hipped roof with a ridgeline that runs perpendicular to the facade. The windows are glazed with one-over-one double-hung sash. The facade is composed of a central entrance and pairs of flanking windows. The screened-in porch is supported on brick piers and tapering wooden piers. Rowlock brick window sills are notable decorative features. This house dates from the early decades of this century.
